

## C16 CLS Data Sheet

<b>Imported</b>	German or Swedish production. Slow grown imported timber is more durable and less susceptible to bow and twist.
<b>C16 Strength Graded</b>	Machine strength graded to a minimum of C16 in accordance with BS EN 14081.
<b>PAR Eased Edge</b>	Planed all round (PAR) with eased edges for ease of handling.
<b>KD HT56/30</b>	Kiln Dried in accordance with BS EN 14298 to maximise performance, stability and reduce weight. HT56/30 and ISPM15 Compliant.
<b>100% PEFC Certified</b>	Chain of custody ensures the timber was sourced responsibly and from sustainable sources.
<b>Species</b>	Predominantly European spruce (also known as Norway Spruce). Scientific name Picea Abies.
<b>5 Side Plastic Wrapped</b>	Untreated timber supplied with durable plastic wrapping on the top and 4 sides to protect the timber from the weather.
